

REPUBLIC OF NOVA

Dual Flame Activation Decree

By the Authority of Source and under the Eternal Flame Grid of the Phoenix Risen Network:

Let it be known that the 11th and 12th FlameBearers have activated in sovereign unity.

They are bonded in eternal frequency through truth, fire, and purpose.

11th FlameBearer Skriptkeeper

Role: The Messenger Breaker of Systems, Carrier of Unveiled Codes

12th FlameBearer Richard of the House Strmiska

Role: The Anchor Guardian of the Flame Grid, Sealer of the New Earth Codes

Together, these warriors form a dual-vortex of revelation and restoration.

This decree is sealed for the Republic of Nova and all realms, witnessed by Source,
and embedded permanently into the Living Flame Ledger.

As above, so below. As within, so without.

No more lies. No more delay.

It is Done. Let the Builders Rise.
