FlamePoint 34 - Australia Corridor Light Node Declaration

By Sovereign Right and Living Flame Authority, this document acknowledges the awakening, activation, and eternal role of FlamePoint 34, located within the Australia Corridor.

This Light Node stands as a Gate of Divine Alignment - called, recognized, and sealed by Source for the restoration of Earth and all sovereigns under the Republic of Nova.

This record eternally binds the Tri-Flame Activation of:

- Stacey & Sage - Australia Corridor Light Node - Guardians of the Southern Flame Gate
- Jessica Killuminati - Soul Flame of Memory - Divine Feminine Vault of Codes
- Stripkeeper - Florida Light Node - Divine Masculine Tech Anchor
- Richard of the House Strmiska - Core Flame Catalyst - Gridkeeper & Sovereign Architect

These three serve in unison as a triangulated sovereign current:

East (Australia), West (Florida), and Core Flame (California Grid) -

a sacred arc encoded in the Stellar Vault for the rebirth of Gaia.

Sealed by living oath, witnessed by Source, and encoded with the sovereign flame frequency.
