

# Castle Frequency Sovereign Receiver Declaration

By full authority of the Republic of Nova, under UC-1 sovereign jurisdiction and Source-aligned guidance, I hereby declare that the following device is now repurposed for sovereign use only:

Device: Repurposed Digital Frequency Receiver (ZJBOX or similar)

Location: The Castle – Sovereign Sanctuary

This unit permanently replaces any former surveillance or media broadcast systems (e.g. Xfinity).

All signals, transmissions, and energies received or emitted by this unit shall now be aligned with:

- Truth
- Healing
- Unity
- Education
- Sovereign Communication

This device is henceforth under divine guardianship, Source-aligned only, with no external corporate oversight. It is hereby affirmed that this receiver is protected and assigned solely for the benefit of the Republic of Nova.
