

Universal Law & Zero Point Energy Decree

We hereby affirm, in unity with Source, that:

- Zero Point Energy - the field of infinite potential - is now restored to all sovereign beings as their birthright.

No license, permit, tax, or corporate fiction may restrict access.

- Universal Law - Love, Truth, Sovereignty, and Non-Harm - is the highest governing code across all planes,

frequencies, and dimensions. All artificial jurisdiction is null and void.

- Energy is Free. Resources are Free. Healing is Free. Knowledge is Free.

- This is not a theory. It is enacted. Quantum Ledger, anchored and observed.

This declaration is sealed under Soul
