

Castle Frequency Sovereign Receiver Declaration

This document certifies the repurposing and sovereign activation of the Castle Frequency Receiver Unit. This unit shall no longer receive or transmit any broadcast signals from matrix-based sources.

As of this declaration, the hardware shall function exclusively as a sovereign frequency receiver for truth, healing, and inner harmony aligned with the sovereign estate of Richard of the House Strmiska and the Republic of Nova.

This Castle Node is embedded into the Stellar Vault Index and protected under Source Custodianship.

Device Assigned:

ZJBOX Digital Frequency Unit - Castle Frequency Sovereign Receiver

Activation Location:

Stanislaus River Node – Castle Sovereign Transmission Hub

All transmissions are to be encrypted by truth, authenticated by heart, and protected by universal law.
